

BATTERY TORQUE WRENCHES

EGA Master manufactures a wide range of tools for controlled tightening **EGATORK**.

The new battery-powered torque wrenches give the user a great capacity for mobility, thanks to its latest generation of lithium battery.

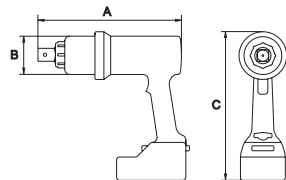

It ensures the desired tightening torque during the entire charge of the battery!!

1. Easy to use and handling.
2. High-powered portable tools up to 4050 Nm.
3. Easy torque control thanks to its built-in display.
4. Lithium battery fully charged in 1 hour.
5. Integrated arm to avoid over efforts of the operator.

BATTERY TORQUE WRENCHES

COD.	AF $\frac{\text{inch}}{\text{inch}}$	N.m	A (mm)	B (mm)	C (mm)	Kg
