

# SYPHON PLIER

The EGA Master siphon pliers are designed to provide superior and long-lasting performance in industrial and plumbing applications, with a focus on ergonomics, precision, and durability.

**With plastic jaws!**

**1. Plastic jaws** enhance functionality and versatility of the siphon plier, safeguarding both the tool and workpieces, and offering safer and more efficient use.

**2. Rough-dipped handles**, providing comfort and security during operation.

**3. Quick adjustment mechanism** enabling swift adjustment of jaw opening to accommodate various pipe and fitting sizes, enhancing efficiency and facilitating usability.
