

CLÉS POLYGONALES

EGA Master offre une vaste gamme de clés mastergear, mixtes, polygonales, plates, etc.

Fabriquées en **acier Chrome-Vanadium**, elles supportent largement les valeurs de résistance des standards de qualité les plus exigeants.

**Autant en mm
qu'en pouces**

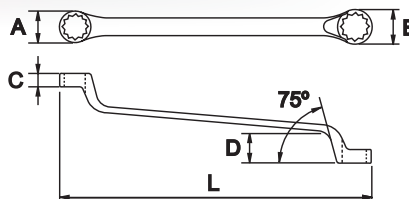

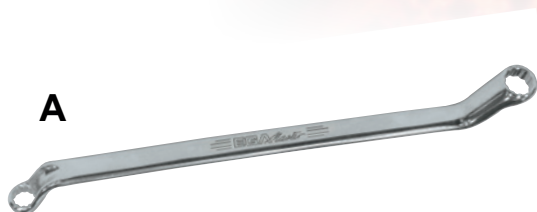

1. Nous permet serrer et desserrer des écrous ou vis qui se trouvent à un niveau plus bas que la surface tout autour.

2. Fabriquées selon la norme DIN 838.

CLÉS POLYGONALES INCH.
