

PUNCHES

EGA Master punches are manufactured with **high quality materials** that allow to reach **high hardnesses** without fragility.

**CR-V
52-58 HRC.**

1. They are available in different formats to adapt themselves to any professional: **cylindrical and knurled, hexagonal and octogonal.**

2. Made in **Chrome Vanadium Steel** with high hardness, long lifespan is assured.

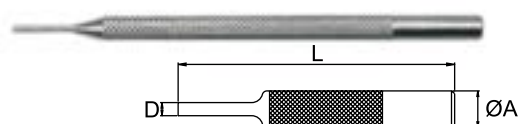

KNURLED PIN PUNCHES
