**Amy Yang**  
Procurement

**KBR - Kellogg Brown & Root LLC (USA)**

“ EGA Master was awarded a purchase order to supply Workshop Toolsets for the Sadara Project located in Saudi Arabia based on their commercially and technically acceptable offer.

KBR was very pleased with EGA Master’s responsiveness during the bidding phase and performance throughout the execution phase of the order. EGA Master exemplified excellent customer service, attention to detail and quality work which allowed the order to be inspected and delivered successfully and on-time.

KBR would definitely consider working with EGA Master again should the opportunity arise. ”

# TESTIMONIALS

## REPSOL

### Spain

Rafael Ramirez Gómez  
Static Reliability Chief- Reliability Department

"EGA Master has developed and custom-made special valve wrenches for Repsol."

## AERNNNOVA

### Spain

Jose Manuel Guerra Verdejo  
Industrialization General Manager

"In record time, EGA Master implemented a complete line of smart workstations, designed and manufactured just for our needs."

## KELLOGG BROWN & ROOT

### USA

Amy Yang  
Procurement

"KBR was very pleased with EGA Master's responsiveness during the bidding phase and performance throughout the execution phase of the order. EGA Master exemplified excellent customer service, attention to detail and quality work which allowed the order to be inspected and delivered successfully and on-time."

## ENGIE

### Mexico

José Ángel Lázaro  
Head of Maintenance

"We have trusted EGA Master as our non-sparking tools supplier due to the high quality of its products. Furthermore, it is a reliable supplier that brings us the most complete service we have found in our industry. Safety is very important for us and through EGA Master we have access to the solutions we need to ensure the safety and productivity of our employees across the different business lines."

## PPG

### Mexico

Eng. Mario Feregrino  
EHS Team Leader

"At PPG safety is very important. Through EGA Master we have access to the solutions that we need to ensure the security and productivity of our employees."

## EGE HAINA

### Dominican Republic

Wendy Calderón  
Purchasing Manager

"We have trusted EGA Master for the supply of mechanical tools. In our industry, safety and quality are highly valued parameters and we feel really satisfied with the delivered products."

## EP PETROECUADOR

### Ecuador

Eng. Elías Valencia Delgado  
Terminals Head of Maintenance

"When you work at a Petrochemical company you are exposed to fire hazards that put at risk the life of your workforce, the most valuable assets a company has. We have therefore put our trust on EGA Master as a supplier of our Non-Spark CU-BE tools. This is due to the high quality of the tools and the wide range of products the company can offer us."

## TAP Engineering and Maintenance

### Portugal

Pedro Henriques  
Purchasing Manager

"EGA Master has been in this last 4 years a great support for TAP Engineering and Maintenance in Lisbon and Brazil. Key factors as top quality, delivery time, versatility, and constant innovation turned EGA Master into strategic partner with whom we can always trust in any situation."

## ARCELORMITTAL

### Spain

Roberto Traver Barres  
Industrial Support Technician

"At EGA Master we have found a manufacturer with the industrial quality and safety orientation that Arcelor Mittal requires, with the necessary flexibility to adapt to our needs. The Total Safety Wrench in particular is a solution that meets our needs and that we have not found in the market."

## SUKHOI CIVIL AIRCRAFT

### Russia

Savchenko O.S.  
Deputy Director of the Technical Department

"Following the results of the tests carried out at the SCAC (Sukhoi Civil Aircraft Company) in Komsomolsk-en-Amur during 2017, it was decided to recommend the EGA Master branded products."

## MINISTÈRE DE L'ARMÉE DE L'AIR FRANÇAISE

### France

Stationnée à Djibouti

"La société EGA Master propose un large panel d'outillage de qualité dans différents domaines. Capable de concevoir de l'outillage adapté à un besoin particulier, EGAMASTER a répondu rapidement à nos demandes catalogue et hors catalogue. Toujours à l'écoute du retour client afin de répondre au mieux à vos attentes."

## CNOOC

### China

Ji Liu  
Maintenance Chief

"The Non-Sparking tools of EGA Master are perfect in fine detail and craftsmanship."

## BHARAT OMAN REFINERY

### India

Atul Khare  
Dy. Manager

"Safety is important for us, and through EGA Master, we are able to access the safety solutions that are needed to keep our workforce safe and productive."

## SAPURA-KENCANA

### Malaysia

Mr. Azmi Mohamed  
Senior Manager

"EGA Master's service is fast and responsive. We feel well supported to find solution to our needs."

## EXXONMOBIL

### Nigeria

Chidi Ahamefula  
Central Tools Coordinator

"Safety is the watch word in our company and using EGA Master tools has helped us maintain that record over the years. Using the right tool helps you accomplish your task timely and safely, and EGA Master tools have consistently fulfilled that need for us."

## ENDEL ENGIE

### Reunion Island

Bertrand Baret  
Purchasing Manager

"We are always looking to work with suppliers that can provide solutions that meet our needs. The ability of EGA Master to innovate and provide such a flexible service is of great value to us."

# MORE TESTIMONIALS

## RENAULT

### Portugal

Pedro Amorim  
Industrial Maintenance Technician

"In EGA Master, I have found tools that meet the safety requirements of maintenance professionals: Appropriate tools for our needs, short delivery times and technical support, are three important factors for a close partnership in the development of new solutions. That's what I found with EGA Master."

## NESTLE

### Portugal

Miguel Pinto  
Health and Safety Department

"Due to the various solutions, it presents, especially in terms of safety tools and even more so with control systems, meeting the requirements of Industry 4.0, EGA Master is undoubtedly an excellent partner when it comes to the areas of production and maintenance and safety."

## COCA-COLA

### Cabo Verde

António Barros  
Technical Supervisor

"We are very satisfied with the personalization by laser marking and the quality of EGA Master tools, as well as with the company's after-sales service."

## VOLKSWAGEN

### Mexico

Edmundo Homero Cacho  
Engineer

"EGA Master's service is fast and effective. We believe that in EGA Master we have a supplier we can trust to find solutions to our needs."

## GENERAL MOTORS

### Mexico

Luis Mata  
Maintenance coordinator

"We trusted EGA Master for the purchase of mechanical tools and the delivery time was satisfactory and on time. Our staff is working very comfortable with the tool. It has met our standards and we highly recommend it."

## FERREYROS CAT

### Peru

Victor Alfonso Quispe Trujillo  
Logistical support

"We recommend the use of EGA Master Copper-Beryllium sledge-hammers in mining operations because its alloy is safer in the activities of blade maintenance as it does not produce chips that may cause injuries to workers."

## PRAXAIR

### Peru

Enrique Rachitoff  
Bulk Distribution Manager

"We have chosen EGA Master as a supplier of non-sparking tools due to the high quality of their products and the wide range they offer us."

## SOUTHERN PERU COPPER CORPORATION

### Peru

Mauricio Pérez  
Senior Concentrator Plant Maintenance

"The copper-beryllium sledge hammers from EGA Master have brought excellent results to our mining operations due to their safety and performance."

## IVECO DEFENCE

### Italy

Renato Modesto  
Machinery Responsible Engineer

"We always try to work with manufacturers that are able to provide solutions that meet our needs. EGA Master's ability to innovate and provide flexible services is of great value to us."

## MSC

### Italy

Luigi Stacoli  
Chief Procurement Officer

"Our business requires trustworthiness, flexibility and fast reactions. We have found all these traits in EGA Master and they are supporting our operations with quality products, tailor made solutions and state of the art service level."

## SONATRACH

### Algeria

Mohamed Khelif  
Mechanical Engineer

"EGA Master is a manufacturer that offers very good tools in terms of reliability, durability and finish."

## MERCEDES-BENZ

### Malaysia

Chantramohan Suparmaniam  
Production Manager

"EGA Master is a trusted supplier that offers us the best service in the industry. We see EGA Master as a key partner for us going forward."

## DARMA HENWA

### Indonesia

Rikko Denia  
Purchasing Manager

"We would recommend EGA Master to any company looking for the widest range of premium quality products, and a responsive service that nobody in the industry can match."

## ELETROPAULO

### Brasil

Glauber Lima Fraga  
Project Manager

"The persistence shown by EGA Master to find a solution that would meet the customer's needs is a clear evidence of EGA Master's commitment to fulfil the needs and requirements of its customers."

## SHELL

### Nigeria

Godfrey Ekeke  
Maintenance Planner

"EGA Master Tools are absolutely amazing tools in terms of value in safety, convenience and versatility."

## Iñaki Garmendia

Presidente y Fundador  
Chairman & Founder  
Président et Fondateur

“ En EGA Master nos comprometemos a usar la innovación, la tecnología y la excelencia empresarial para el desarrollo y fabricación de herramientas, equipos y servicios de calidad industrial PREMIUM a través de una solución integral que permita mantener a los trabajadores seguros y eficientes. ”

### Nuestra propuesta se sustenta en 5 pilares principales:

#### Solución Integral

EGA Master es el único fabricante de herramientas con una oferta de 12 completas gamas de alta innovación que permite una mayor eficiencia de la gestión empresarial.

#### Calidad Industrial Premium

EGA Master fabrica para más de 100 empresas con su propia personalización, incluyendo muchas de las marcas líderes mundiales del sector.

### *The EGA Master proposition is sustained on 5 key pillars:*

#### *One Stop Solution*

*EGA Master is currently the only manufacturer that offers 12 ranges under a one-stop solution that result in cost efficiencies for our customers.*

#### *Premium Industrial Quality*

*EGA Master manufactures for more than 100 different companies, including some of the leading brands in the industry.*

### Notre offre se soutient sous 5 piliers principaux:

#### Solution Intégral

EGA Master est le seul fabricant qui offre 12 gammes complètes de haute innovation, ce qui permet plus d'efficacité de gestion d'entreprise.

#### Qualité industrielle Premium

EGA Master fabrique pour plus de 100 entreprises avec sa propre personnalisation, parmi lesquelles beaucoup sont des marques leaders mondiales du secteur.

**“ In EGA Master we endeavour to use innovation, technology and management excellence for the development and manufacture of PREMIUM industrial quality tools, equipment and services through a one stop source to keep professionals across industries safe and efficient. ”**

**“ Chez EGA Master nous nous engageons à utiliser l'innovation, la technologie et l'excellence entrepreneuriale pour le développement et fabrication d'outils, d'équipements et de services de qualité industrielle PREMIUM par l'intermédiaire d'une solution intégrale qui permet d'assurer la sécurité et l'efficacité des travailleurs. ”**

### Rapidez de Servicio

El modelo de fabricación e inversión en stock de EGA Master permite ofrecer unos niveles de disponibilidad de más de un 98 % en los más de 150 países a los que distribuye sus productos.

### Innovación

EGA Master ha desarrollado más de 200 patentes e invierte en I+D+i, aproximadamente, un 6 % de su facturación.

### Integración Horizontal

El modelo industrial, basado en la Integración Horizontal de los Procesos de Fabricación, aporta a EGA Master una mayor flexibilidad, agilidad, rapidez de respuesta, productividad y competitividad.

### Quick Service

*As a result of our manufacturing model and investment in stock, we are able to provide an availability level above 98% across the 150 we distribute to.*

### Innovation

*EGA Master holds more than 200 patents and invests around 6% of its turnover in R&D+I.*

### Horizontal Integration

*The industrial model, based on a Horizontally Integrated Manufacturing Process, provides EGA Master with greater flexibility, productivity, responsiveness and competitiveness.*

### Rapidité de Service

Le modèle de fabrication et l'inversion en stock d'EGA Master offre des niveaux de disponibilité de plus de 98% dans plus de 150 pays qui distribuent ses produits.

### Innovation

EGA Master a développé plus de 200 brevets et investit, à peu près le 6% de sa facturation, en I+D+I.

### Intégration Horizontale

Le modèle industriel, fondé sur l'Intégration Horizontale des Procédés de Fabrication, apporte à EGA Master une plus grande flexibilité, agilité, rapidité de réponse, productivité et compétitivité.

PRIX ÉMINENTS

## EGA Master, Premio Iberoamericano a la Excelencia

EGA Master winner of the Ibero-American Quality Management Award

EGA Master, Prix Ibero-Américain à l'Excellence

La Fundación Iberoamericana para la Gestión de la Calidad (Fundibeq) concedió el Premio Iberoamericano de la Calidad y Excelencia, Premio Oro a EGA Master. El Premio Iberoamericano a la Excelencia es un programa de las Cumbres Iberoamericanas de Jefes de Estado y de Gobierno basado en el Modelo Iberoamericano de Excelencia en la Gestión que reconoce a las empresas más avanzadas y con los mejores resultados.

EGA Master is the winner of the Ibero-American Quality Award from Foundation for the Management Quality (Fundibeq). The awards are part of a program set up by the Ibero-American Summit of Governments and Heads of State. The event recognizes the companies with the best management level and results in Spain, Portugal and all of Latin America. EGA Master is the only hand tool manufacturer ever to have won this prestigious award.

La Fondation Ibéro-américaine pour la Gestion de la Qualité (Fundibeq) a décerné le Prix Ibéro - Américain de la Qualité et l'Excellence, Prix d'Or à EGA Master. Ce prix est un programme du sommet Ibéro-américain de Chefs d'État et de Gouvernement basé sur le Modèle Ibéro-américain d'Excellence de Gestion qui donne la reconnaissance aux entreprises les plus développées et avec les meilleurs résultats.

## Q de Oro a la Excelencia en la Gestión según el Modelo Europeo EFQM

# RESPONSABILIDAD SOCIAL

## SOCIAL RESPONSIBILITY

## RESPONSABILITÉ SOCIALE

### El compromiso de EGA Master con la responsabilidad social

En EGA Master estamos convencidos de nuestra responsabilidad con la sociedad global a la que pertenecemos. Vivimos en un mundo con el que interactuamos, y por tanto nos debemos también a ella. Nos volcamos con aquellos valores sociales que nos identifican como organización, y actuamos siempre en consecuencia:

- Favoreciendo a los necesitados con campañas de donación de herramienta y equipos para proyectos en países en desarrollo, con los desplazados en Sáhara, en Costa de Marfil, construcción de colegios en México o Guinea Ecuatorial, entre otros.
- Integrando a los jóvenes en el mundo laboral (Primer Premio Novia Salcedo).
- Garantizando la Igualdad de Oportunidades en Género (Primer Premio Argilan).
- Patrocinando proyectos deportivos que impulsan y promueven los valores que nos caracterizan.
- Formando en Masters y Universidades a los profesionales del futuro, y ofreciendo más de 20 jornadas de puertas abiertas al año a diferentes centros de formación.

Estamos orgullosos de ello y plenamente convencidos de seguir mejorando el mundo desde EGA Master.

EGA Master, por un mundo mejor.

### EGA Master's commitment to social responsibility

*In EGA Master we are convinced about our responsibility to the global society of which we form part of. We live in a world where we interact, and thus we owe our existence to it. We are firmly committed to the social values that form the soul of our company and try to act in accordance to them by:*

- *Donations of tool lots to Non- Government Organizations (NGOs) that act in the developing world or in other areas with special needs, such as the refugees of Western Sahara, the internally displaced people of Ivory Coast (where training schools have been created) or the building of schools in Mexico and Equatorial Guinea.*
- *Integrating young people into the business world, by offering paid internships that ease the entrance into the corporate life (Novia Salcedo Foundation Award).*
- *Guaranteeing Equal Opportunities and banning discrimination on the basis of gender, race, religion, nationality or sexual orientation (First Argilan Award).*
- *Sponsoring sports events that promote our values.*
- *Lecturing free of charge a Bachelors, Masters and Post-graduate courses.*
- *Organizing open-door days for students, academics and business people.*

*We are proud of all these activities that help to contribute in our own modest way to a better world.*

#### Cálculo y Reducción de la Huella de Carbono Carbon Footprint Calculation and Reduction

### L'engagement d'EGA Master avec la responsabilité sociale

Chez EGA Master, nous sommes convaincus de notre responsabilité envers la société globale à laquelle nous appartenons. Nous vivons dans un monde avec lequel nous interagissons, et lui sommes donc redevables. Nous nous consacrons corps et âme à des valeurs sociales qui nous identifient comme une organisation, et nous agissons en conséquence :

- En favorisant les nécessiteux grâce à des campagnes de dons d'outils et équipements pour des projets pour les déplacés du Sahara ou de la Côte d'Ivoire, la construction de collèges au Mexique ou en Guinée Equatoriale, entre autres...
- En intégrant les jeunes sur le marché du travail (Premier Prix Novia Salcedo).
- En garantissant l'Égalité des Opportunités hommes/femmes ((Premier Prix Argilan).
- En sponsorisant des projets sportifs qui stimulent les valeurs qui nous caractérisent.
- En formant dans des Masters et des Universités les professionnels du futur, et en offrant plus de 20 journées portes ouvertes par an dans différents centres de formation.

Nous sommes fiers de tout cela, et pleinement convaincus de continuer à améliorer le monde depuis EGA Master.

EGA Master, pour un monde meilleur.

#### Sistema de Gestión Compliance Antisoborno Anti-bribery Compliance Management System

Patrocinador de la Euroliga de Baloncesto

Sponsor of Euroleague Basketball

Sponsor de l'Euroligue de Basket

## Algunos de nuestros logros más recientes

- Primera empresa del sector en Certificarse con un Sistema de Gestión Compliance Antisoborno basado en ISO 37001. Esta Certificación convierte a **EGA Master** en una empresa tractora a nivel internacional por sus buenas prácticas y transparencia en los negocios.
- Primera empresa del sector en calcular su huella de carbono, registrarla y obtener el Sello de Calculo, Reduzco del Ministerio Transición Ecológica.
- **EGA Master** seleccionada en 2019 y 2021 por la Comunidad #PorElClima para ser una de las 101 iniciativas empresariales, como ejemplo de lucha contra el cambio climático.
- Contratación de energía verde Cero Emisiones con las Garantías de Origen (GdO) que emite la Comisión Nacional de los Mercados y la Competencia (CNMC).
- **EGA Master** pasa a formar parte de la prestigiosa Asociación del Hidrógeno (AeH2) fruto de su compromiso con el desarrollo de soluciones de tecnología eficiente, para reducir el impacto ambiental.
- **EGA Master**, seleccionada por un comité de expertos formado por miembros de Fundación Biodiversidad del Ministerio para la Transición Ecológica, Grupo Español para el Crecimiento Verde, Red Española del Pacto Mundial, Aclima, Forética y Club de Excelencia en Sostenibilidad como ejemplo empresarial por sus acciones contra el cambio climático.
- **EGA Master** obtiene en 2020 la certificación ISO 45001, la mayor certificación a nivel internacional en seguridad y salud en el trabajo.

## Some of our most recent achievements

- *The first company in the sector to be certified with an Anti-bribery Compliance Management System based on ISO 37001. This Certification makes EGA Master an international driving force for its good practices and transparency in business.*
- *First company in the sector to calculate its carbon footprint, register it and obtain the "Calculo + Reduzco" seal, a recognition given by the Ecological Transition Ministry for the efforts made by the Spanish companies to reduce their carbon footprint.*
- *EGA Master selected in 2019 and 2021 by the #PorElClima Community to be one of the 101 business initiatives, as an example of the fight against climate change.*
- *Contracting Zero Emissions green energy with the Guarantees of Origin (GoO) issued by the Spanish competition regulator (CNMC).*
- *EGA Master becomes part of the prestigious Spanish Hydrogen Association (AeH2) as a result of its commitment to developing efficient technology solutions to reduce environmental impact.*
- *EGA Master, selected by a committee of experts made up of members of the Biodiversity Foundation of the Spanish Ecological Transition Ministry, the Spanish Group for Green Growth, the Spanish Global Compact Network, Aclima, Forética and the Club of Excellence in Sustainability as a business example for its actions against climate change.*
- *EGA Master obtains in 2020 ISO 45001 certification, the highest international certification in occupational health and safety.*

## Quelques-unes de nos réussites les plus récentes

- Première entreprise du secteur à être certifiée avec un système de gestion de la conformité anti-corrupcion basé sur la norme ISO 37001. Cette certification fait d'**EGA Master** une entreprise leader au niveau international pour ses bonnes pratiques et sa transparence dans les affaires.
- Première entreprise du secteur à calculer son empreinte carbone, à l'enregistrer et à obtenir le sceau "Calculo+Reduzco" du ministère de la Transition écologique.
- **EGA Master** sélectionnée en 2019 et 2021 par la Communauté #PorElClima pour faire partie des 101 initiatives d'entreprises, comme exemple de lutte contre le changement climatique.
- Contrats d'énergie verte à émissions zéro avec les garanties d'origine (GoO) délivrées par la Commission Nationale des Marchés et de la Concurrence (CNMC).
- **EGA Master** devient membre de la prestigieuse Association de l'hydrogène (AeH2) en raison de son engagement dans le développement de solutions technologiques efficaces pour réduire l'impact environnemental.
- **EGA Master**, sélectionnée par un comité d'experts formé par des membres de la Fondation pour la Biodiversité du Ministère Espagnol de la Transition Écologique, Groupe Espagnol pour la Croissance Verte, Réseau Espagnol du Pacte Mondial, Aclima, Forética et Club d'excellence en Matière de durabilité comme exemple d'entreprise pour ses actions contre le changement climatique.
- **EGA Master** obtient en 2020 la certification ISO 45001, la plus haute certification internationale en matière de santé et de sécurité au travail.

**SISTEMA DE CONTROL DE HERRAMIENTAS**  
**TOOL CONTROL SYSTEM**  
**SYSTÈME DE CONTRÔLE D'OUTILS**  
**WERKZEUG-ORDUNGS-SYSTEM**  
**SISTEMA DI CONTROLLO PER UTENSILI**  
**SISTEMA DE CONTROLLO DE FERRAMENTAS**  
**СИСТЕМА КОНТРОЛЯ ИНСТРУМЕНТА**

Los sistemas de control de herramientas son muy importantes por dos razones fundamentales. La primera, evitar el gran despilfarro económico debido a descuidos en la gestión y utilización de herramientas, y, la segunda, seguridad frente a posibles FOD.

FOD es una abreviatura utilizada en aviación para referirse a los posibles "restos de objetos extraños" (Foreign Object Debris), también utilizada para describir los daños causados por dichos objetos o "daños causados por elementos extraños" (Foreign Object Damage). Estos daños pueden verse reflejados tanto en términos físicos como económicos y pueden afectar a la seguridad y al rendimiento de los aparatos.

Los "FOD de herramientas" son los riesgos ocasionados por dejar herramientas olvidadas o perdidas en el interior de un avión tras su fabricación o labores de mantenimiento. Estas herramientas u otros objetos pueden enredarse en los cables de control, obstaculizar partes móviles, afectar a las conexiones eléctricas..., pudiendo interferir en la seguridad de vuelo. En general, los equipos de mantenimiento de aeronaves disponen de estrictos sistemas de control de herramientas, incluyendo inventarios de las cajas de herramientas para cerciorarse de que ninguna herramienta se queda en el avión.

Por todo lo comentado anteriormente y con el fin de proporcionar un efectivo y seguro sistema de control de herramientas, EGA Master ofrece una amplia gama de productos y servicios.

*Tool control systems are very important due to 2 main reasons: avoiding economic waste or loss due to careless tool stock management; and for FOD safety.*

*Foreign Object Debris (FOD) is a substance, debris or article alien to a vehicle or system which could potentially cause damage. Foreign Object Damage (also abbreviated FOD) is any damage attributed to a foreign object (i.e. any object that is not part of the vehicle) that can be expressed in physical and economic terms and may degrade the product's required safety or performance. FOD is an abbreviation often used in aviation to describe both the damage done to aircraft by foreign objects, and the foreign objects themselves.*

*"Internal FOD" is used to refer to damage or hazards caused by foreign objects inside the aircraft. "Tool FOD" is a serious hazard caused by tools left inside the aircraft after manufacturing or servicing. Tools or other items can get tangled in control cables, jam moving parts, short out electrical connections, or otherwise interfere with safe flight. Aircraft maintenance teams usually have strict tool control procedures including toolbox inventories to make sure all tools have been removed from an aircraft before it is released for flight. Tools used during manufacturing are tagged with a serial number so if they are found they can be traced.*

*In order to provide an effective and safe tool control system, EGA Master offers a wide range of products and services.*

Los sistemas de control de herramientas son muy importantes por dos razones fundamentales. La primera, evitar el gran desperdicio económico debido a negligencias en la gestión y el uso de herramientas; la segunda, seguridad frente a FOD.

FOD es una abreviatura utilizada en aviación para hacer referencia a los posibles «restos de objetos extraños» (Foreign Object Debris), igualmente utilizado para describir los daños causados por estos objetos o «daños causados por elementos extraños» (Foreign Object Damage). Estos daños pueden ser reflejados tanto desde el punto de vista físico como desde el punto de vista económico y pueden afectar a la seguridad y el rendimiento de los aparatos.

Los "FOD de herramientas" son los riesgos que se corren cuando se olvidan o pierden herramientas dentro de un avión después de su fabricación o trabajos de mantenimiento. Estas herramientas u otros objetos pueden enredarse en los cables de control, hacer obstáculo a partes móviles, afectar a las conexiones eléctricas... que pueden intervenir en la calidad del vuelo. Generalmente, los equipos de mantenimiento de aeronaves disponen de un control de herramientas muy estricto, incluyendo también inventarios de las cajas de herramientas para asegurarse de que ninguna herramienta se queda en el avión.

EGA Master ofrece una gama ampliada de productos y servicios para los entornos anteriormente mencionados y para proporcionar un sistema de control de herramientas efectivo y seguro.

Si les kits standards d'**EGA Master** ne s'ajustent pas à vos besoins, indiquez nous votre choix d'outils et nous vous fabriquerons les plateaux EVA bicolor personnalisés sur mesure.

## 3 MARCAJE/GRABADO DE HERRAMIENTAS A LÁSER LASER ETCHING / MARKING SERVICE MARQUAGE / GRAVURE D'OUTILS AU LASER

**EGA Master** ofrece la posibilidad de marcar o grabar a láser las herramientas con diferentes logos o números, identificando perfectamente la empresa, división o equipo al que pertenecen, evitando los típicas "faltas" de herramientas.

*EGA Master can laser mark your tools with different logos or division numbers, perfectly identifying which specific tool belongs to which company, division or team, avoiding common mix-ups.*

**EGA Master** offre la possibilité de marquer ou graver au laser les outils avec différents logos ou numéros, en identifiant parfaitement l'entreprise, la division ou équipe à laquelle ils appartiennent, en évitant les «erreurs» typiques d'outils.

## 4 SOFTWARE DE CONTROL DE LA HERRAMIENTA TOOL TRACKING SOFTWARE LOGICIEL DE CONTRÔLE D'OUTIL

**EGA Master** también ofrece un sistema único de control de herramientas, capaz de gestionar e identificar las herramientas que se cogen o se dejan y en posesión de quien están, gracias a **EGAware**, el software de control de herramientas específicamente desarrollado para esta aplicación. Esta herramienta de gestión crea conciencia de control y cuidado de la herramienta entre los usuarios, reduciendo las desapariciones de herramientas hasta en un 90 %.

Si usted necesita cotización o más información en relación a alguno de los sistemas de control de herramientas de **EGA Master**, no dude en ponerse en contacto con nosotros.

*EGA Master also offers a unique stock control system, that will control which tool is taken from or returned to the stock, and who is in possession of each tool at every moment. This is done through the specifically developed "EGAware" tool control software. This management tool creates a tool control consciousness among users, reducing tool loss by over 90%.*

*If you need quotation or further information on any of above tool control systems, do not hesitate.*

**EGA Master** offre également un système unique de contrôle d'outils, capable de contrôler et d'identifier l'outil et le détenteur de ce dernier, grâce à **EGAware**, le logiciel de contrôle d'outils spécifiquement conçu pour cette application. Cet outil de gestion crée une conscience de contrôle et un soin de l'outil parmi les utilisateurs, réduisant les disparitions d'outils jusqu'à 90%.

Si vous avez besoin d'un devis ou plus d'information quant aux systèmes de contrôle d'outils d'**EGA Master**, veuillez ne pas hésiter à nous contacter.

5

**ARMARIOS PORTAHERRAMIENTAS TOOL CONTROL SYSTEM PARA CONTROL DE HERRAMIENTAS**  
**TOOL CONTROL SYSTEM ROLLER CABINETS TO CONTROL THE TOOLS**  
**SERVANTES PORTE-OUTILS TOOL CONTROL SYSTEM POUR LE CONTRÔLE DE L'OUTILLAGE**

Ante los riesgos y costes que la pérdida de herramientas genera, **EGA Master** ha desarrollado una gama de armarios portaherramientas con ruedas inteligentes para el control de herramientas. Estos le permitirán tener la herramienta localizada en todo momento, reduciendo los costes asociados a la pérdida de las mismas hasta en un 90 %. Además, le permitirá disponer de un sistema robusto para el FOD (riesgo por olvido de herramientas en lugares sensibles), como, por ejemplo, en el mantenimiento aeronáutico.

Simplemente seleccione el armario portaherramientas con ruedas TCS que desea, las herramientas que querría incluir en el mismo y **EGA Master** le configura tanto las bandejas como el software de manera personalizada. Los precios de los armarios portaherramientas con ruedas no incluyen las herramientas, que se facturarán por separado dependiendo de la composición solicitada.

Los armarios portaherramientas con ruedas presentados incluyen: armarios portaherramientas con ruedas con herramientas, bandejas bicolor personalizadas, software de control de herramientas, hardware de control de herramientas, carga de datos.

*In face of the risks and costs that the loss of tools generate, **EGA Master** has developed a range of smart roller cabinets to control the tools. These will allow to have the tool located at all times, reducing the costs associated with the loss thereof up to 90%. In addition it will provide a robust system for FOD (risk of forgetting tools in sensitive sites), such as in aeronautical maintenance.*

*Simply select the TCS roller cabinet you want, the tools that would be included in it, and **EGA Master** will configure both trays and software, in a customized way. The prices of the roller cabinets do not include the tools, which will be invoiced separately depending on the composition requested.*

*The roller cabinets presented include: roller cabinets with tools, bi-coloured trays customized, tool control software, tool control hardware, data upload.*

Face aux risques et aux coûts qui sont conséquence de la perte des outils, **EGA Master** a développé une gamme de servantes porte-outils à roues intelligentes pour le contrôle de l'outillage. Celles-ci vous permettront d'avoir l'outil localisé à tout instant, en réduisant les coûts associés à la perte des outils jusqu'à 90%. En plus, vous pourrez disposer d'un système robuste pour le FOD (risque causée par l'oubli des outils dans des lieux délicats), comme par exemple dans la maintenance aéronautique.

Simplement choisissez la servante porte-outils à roues TCS que vous désirez, les outils que vous voulez y inclure, et **EGA Master** vous configure les plateaux et le software, de manière personnalisée. Le prix des servantes porte-outils à roues n'incluent pas les outils, qui se factureront à part en fonction de la composition sollicitée.

Les servantes porte-outils à roues incluent : servantes porte-outils à roues et outils, plateaux bicolores personnalisés, software de contrôle d'outils, hardware de contrôle d'outils, chargement des données.

**El más eficiente / The most efficient / Le plus efficient**
**Capacidad de corte**  
*Cutting capacity*  
**Capacité de coupe**
**60% +**
**1**

Gracias a su sistema de eje desplazado y a la tecnología aplicada en sus bocas, la capacidad de corte se ha incrementado en un 60 % respecto a los alicates tradicionales. Corta clavos de hasta 5 mm de diámetro.

*Displaced joint axle high-leverage system, together with the applied technology on the jaws, provides 60% higher cutting capacity than traditional pliers. Cuts nails up to 5mm.*

Grâce à un système d'axe déplacé, la capacité de coupe est augmentée de 60% par rapport à une pince traditionnelle. Coupe des clous de 5 mm de diamètre.

**2**

Eje poligonal extrafuerte para larga duración y suavidad de funcionamiento sin holgura.

*Polygonal super-resistant axle pin, long lasting and smooth action.*

Axe polygonal extrafort longue durée.

**3**

Sistema de engastar terminales en los alicates universales.

*Terminal Crimping system for combination pliers.*

Incluent la fonction sertissage de terminaux.

**4**

TITACROM® - Tratamiento superficial especial, resistente a la corrosión y a los golpes y roces, es antirreflejante y de gran atractivo.

*TITACROM® - Special surface treatment, rust-proof and anti-chipping off, it is non-reflecting and with very attractive finishing.*

TITACROM® - Traitement superficiel spécial, résistant à la corrosion et aux coups, anti-réfléchissant et au desing attirant.

**5**

Mango bicomponente BIMAT® ergonómico para un agarre ideal, antideslizante y cómodo.

*BIMAT® 2 component ergonomic and anti-slippery handles provide comfortable gripping.*

Manche bi-matière ergonomique pour la meilleure accroche.

**6**

Patentado.  
Patented.  
Breveté.

## ■ ALICATES / PLIERS / PINCES / ZANGEN / PINZE / ALICATES / ПЛОСКОГУБЦЫ

### ■ CARACTERÍSTICAS

- Sistema de eje desplazado, incrementando la capacidad de corte hasta en un 60 % respecto a los alicates tradicionales.
- Corta clavos de hasta 5 mm de diámetro.
- Eje poligonal extrafuerte para larga duración y suavidad.
- Los alicates universales incorporan una zona de engastar terminales.
- Titacrom®: tratamiento superficial especial, resistente a la corrosión y a los golpes, es antirreflectante y de gran atractivo.
- Mango bicomponente BIMAT ergonómico para un agarre ideal.
- Patentado.

### ■ FEATURES

- *Displaced joint axle provides high leverage system and 60% more cutting power than standard pliers. Nails of diameter up to 5mm.*
- *Extraresistant polygonal axle pin, long lasting and smooth action.*
- *Crimping system incorporated in combination pliers for different crimping actions.*
- *Titacrom® special surface treatment, antirusty, non peel off, non reflecting and attractive finishing.*
- *Bimat ergonomic two component handle for ideal grip.*
- *Patented.*

### ■ CARACTERISTIQUES

- Grâce à un système d'axe déplacé, la capacité de coupe est augmentée de 60% par rapport à une pince traditionnelle.
- Coupe des clous de 5mm de diamètre.
- Axe polygonal extrafort longue durée.
- Les pinces universelles incluent la fonction sertissage de terminaux.
- Titacrom® traitement superficiel spécial, résistant à la corrosion et aux coups, anti-réfléchissant et au design attirant.
- Manche bi-matière BIMAT ergonomique pour la meilleure accroche.
- Breveté.

**EXTRACTEURS**  
**ABZIEHERS**  
**ESTRATTORI**  
**EXTRACTORES**  
**СЪЕМНИКИ**

El factor más importante a la hora de elegir un extractor es su calidad. La dureza y la durabilidad son factores particularmente importantes. EGA Master produce sus extractores en acero forjado de gran resistencia y bajo estrictos tests mecánicos, consiguiendo un producto que excede los requerimientos de los estándares internacionales más exigentes. El tornillo está hecho de acero laminado en frío y, por lo tanto, es más resistente al estrés.

Una vez que la seguridad está asegurada, es importante hacer uso de la herramienta exacta. EGA Master ofrece una amplia gama de extractores que asegura la disponibilidad de la herramienta precisa para cada trabajo: externos, internos, de 3 y 2 garras, cortos, estándar, de alcance largo o muy largo; y una gran variedad de diferenciales.

*When it comes to picking a good gear puller, the most important factor is good quality. Strength and durability are extremely important. EGA Master produces its gear puller range with high performance drop forged steel, under strict mechanical tests, exceeding the requirements of the most demanding international standards. The drive screw is made out of cold rolled steel, so it is much more tolerant to stress.*

*Once safety is preserved, the other important task is getting the exact precise tool. EGA Master offers a very wide range that assures having the proper tool in each application: external, internal, 3 jaws, 2 jaws, short, standard, long or extra long reach, with all variety of spreads.*

Le facteur le plus important pour choisir un extracteur est sa qualité. La dureté et la durabilité sont des facteurs particulièrement importants. EGA Master fabrique ses extracteurs en acier forgé d'une grande résistance, en suivant des tests mécaniques strictes, en obtenant un produit qui dépasse les demandes des standards internationaux les plus exigeantes. La vis est faite en acier laminé à froid, et par conséquent elle est plus résistante aux chocs.

Pour assurer la sécurité, il est important de faire usage de l'outil adéquat. EGA Master offre une grande gamme d'extracteurs qui permettent d'avoir l'outil nécessaire à chaque travail: externes, internes, 3 griffes, 2 griffe, courts, standards, de longue ou très longue portée, et une grande variété des différentiels.

**1**  
Equipados con mangos ergonómicos y antideslizantes más amplios, ofrecen un agarre superior evitando deslizamientos.

*Oversized ergonomic & anti-slippery handles offer optimal grip for avoiding slippage.*

Pourvus de manches ergonomiques et anti-dérapants plus volumineux.

**2**  
Su varilla exclusiva de aleación cromo-molibdeno-vanadio permite aprietes un 30 % superiores a los destornilladores estándar.

*Its exclusive chrome-molybdenum-vanadium alloy enables 30% higher tightening torque than traditional screwdrivers.*

Sa lame "exclusivité" en alliage chrome molybdène vanadium, permet un serrage supérieur de 30% par rapport aux modèles standards.

**3**  
Su innovador sistema de punta antideslizante y magnética facilita el posicionamiento y evita deslizamientos imprevistos.

*The innovative "non-slip" anti-slippery and magnetic tip system allows an easier and safer positioning of the screwdriver, avoiding undesired slides.*

Son système innovateur de tête anti-dérapante et magnétique, facilite le positionnement et fait éviter les dérapages.

**4**  
Varilla pasante para el modelo Masterpunch, permite el golpeo en su parte superior.

*Go-through bar enables hammering on the Masterpunch screwdriver's upper side.*

Tige traversante pour le modèle Masterpunch, qui permet de frapper sur la partie supérieure.

**5**  
El marcaje doble vertical y frontal de tipo y tamaño facilita la identificación rápida del destornillador que necesitamos emplear.

*Type and size double marking of easy and efficient identification of the screwdriver to be used.*

Le double marquage de type et de dimension facilite l'identification de l'outil recherché.

**6**  
Modelos equipados con varilla hexagonal para aprietes con llaves. Hexagonal bar screwdrivers available for strong tightening with wrenches.

Modèles pourvus de lames hexagonales pour le serrage avec une clé.

**7**  
El agujero del mango permite apalancar.

*Go-through hole in the handle enables tommy bar using.*

Le trou sur le manche permet de serrer à l'aide d'une barre.

**8**

\*: Válido para puntas de 50 mm de longitud / Suitable for 50 mm length bits / Valable pour les pointes de 50 mm de longueur

 Para trabajar con tornillos férricos  
 To work with ferrous screws  
 Pour travailler avec des vis ferriques

 Para trabajar con tornillos inox  
 To work with stainless steel screws  
 Pour travailler avec des vis Inox

 Válido para puntas de 50 mm de longitud  
 Suitable for 50 mm length bits  
 Valable pour les pointes de 50 mm de longueur

 Aguanta hasta 2 kg de peso  
 Supports up to 2 kg weight  
 Supporte jusqu'à un poids de 2 Kg

 Para ver las puntas disponibles consultar en el capítulo de puntas de destornillador del catálogo general o en [www.egamaster.com](http://www.egamaster.com)  
 To see the available bits check the bits chapter of general catalog or in [www.egamaster.com](http://www.egamaster.com)  
 Pour voir les pointes disponibles merci de consulter le chapitre des pointes de tournevis du catalogue général ou sur [www.egamaster.com](http://www.egamaster.com)

INSERTI

PONTAS

БИТЫ

#### ■ MASTERBIT

- Alta calidad de material, Cr-Mo-V, que permite alcanzar altas durezas manteniendo la tenacidad
- Alta dureza, con la consiguiente resistencia al desgaste: 56-60 HRC
- High quality material, Cr-Mo-V, enables the bit to achieve high hardness while maintaining the tenacity*
- High hardness, provides strong resistance to wearing: 56-60HRC*
- Matériau de grande qualité, Cr-Mo-V, qui permet d'atteindre des hautes duretés tout en gardant la tenacité
- Grande dureté, renforce la résistance à l'usure : 56-60HRC

#### ■ MASTERBIT TORSION

- Alta calidad de material, Cr-Mo-V, que permite alcanzar altas durezas manteniendo la tenacidad
- Alta dureza, con la consiguiente resistencia al desgaste: 56-60 HRC
- Buen acceso a espacios reducidos de atornillado/desatornillado
- La zona especial de torsión amortigua el esfuerzo final de atornillado
- Se alarga la vida de la punta y del atornillador gracias a la potencia de torsión
- High quality material, Cr-Mo-V, enables the bit to achieve high hardness while maintaining the tenacity*
- High hardness, provides strong resistance to wearing: 56-60HRC*
- Good access to confined spaces for screwing/unscrewing*
- The special zone for torsion cushions the final effort of screwing*
- The life of the bit and the screwdriver is longer due to the torsion power*
- Matériau de grande qualité, Cr-Mo-V, qui permet d'atteindre des hautes duretés tout en gardant la tenacité
- Grande dureté, résultant une résistance à l'usure : 56-60HRC
- Bonne accessibilité à des espaces réduits pour visser et dévisser
- La zone spéciale de torsion amortit la force finale de vissage
- La durée de vie de l'embout et du porte embout est améliorée grâce à la capacité de torsion

#### ■ MASTERBIT NON-SLIP

- Alta calidad de material, Cr-Mo-V, que permite alcanzar altas durezas manteniendo la tenacidad
- Alta dureza, con la consiguiente resistencia al desgaste: 56-60 HRC
- Especialmente diseñada para disminuir el efecto de expulsión en el atornillado fuerte
- Se alarga la vida de la punta y del atornillador gracias a la reducción del efecto expulsión
- High quality material, Cr-Mo-V, enables the bit to achieve high hardness while maintaining the tenacity*
- High hardness, provides strong resistance to wearing: 56-60HRC*
- Specially designed to avoid undesired slides*
- The life of the bit and the screwdriver becomes longer due to the reduction of come out effect*
- Matériau de grande qualité, Cr-Mo-V, qui permet d'atteindre des hautes duretés tout en gardant la tenacité
- Grande dureté, résultant une résistance à l'usure : 56-60HRC
- Spécialement conçue pour diminuer l'effet d'expulsion pour des vissages difficiles
- La durée de vie de l'embout et du porte-embout est supérieure grâce à la réduction de l'effet d'expulsion

#### ■ MASTERBIT TIN

- Alta calidad de material, Cr-Mo-V, que permite alcanzar altas durezas manteniendo la tenacidad
- Alta dureza, con la consiguiente resistencia al desgaste: 56-60 HRC
- Alta dureza superficial, con la consiguiente resistencia al desgaste: 2400 Hv
- Puntas recubiertas de Nitruro de Titanio especialmente indicadas para trabajos repetitivos
- La vida de la punta se alarga de 4 a 10 veces
- Excelente resistencia antioxidante
- High quality material, Cr-Mo-V, enables the bit to achieve high hardness while maintaining the tenacity*
- High hardness, provides strong resistance to wearing: 56-60HRC*
- High superficial hardness, getting a extremely high resistance to wearing: 2400Hv*
- Titan Nitride coated bits are specially suitable for repetitive works*
- The life of the bit becomes up to 10 times longer*
- Excellent anti-rust protection*
- Matériau de grande qualité, Cr-Mo-V, qui permet d'atteindre des hautes duretés tout en gardant la tenacité
- Grande dureté, résultant une résistance à l'usure : 56-60HRC
- Grande dureté superficielle, avec une résistance à l'usure acquise de: 2400Hv
- Embouts recouverts de triniture de titane, spécialement indiqué pour des travaux répétitifs
- La durée de vie de l'embout est 4 à 10 fois supérieure
- Excellente résistance à l'oxydation
